

Jonbuoy Inflatable Horseshoe

Details

The Jonbuoy Inflatable Horseshoe is a direct replacement for the traditional horseshoe lifebuoys. Available in single or double versions, these compact units come fitted with an oral tube, drogue, retro-reflective tape, and an automatic inflation system as standard. An automatic light is an optional extra that can be fitted to the horseshoe. The weighted pouch allows an accurate throw to the casualty.

Features:

- Automatic inflation
- Retro reflective tape
- Easy to deploy
- Clear printed instructions
- Repackable
- Automatic light optional

Double hard case version

The double hard case version has all the same great features of the standard version but with 2 units in one case. This is a great option if you have limited space but still need to
